

TO ALL PARENTS – CHANGES TO ORGANISATION OF SCHOOL SPORTS CLUBS

Please note that from the beginning of the September term the following changes are being made to Cranbrook School Sports clubs and the way that they will be organised.

1. We are doing away with games charges and introducing club memberships. The benefits of this will be that all parents will know exactly what it will cost to play sport for the term and it will encourage students to attend training, etc knowing they have paid a membership fee. The fees are different for each sport and for juniors and seniors. There is also a differential charge for players who do not gain regular places in the teams.

All team playing kit will be available from the school uniform shop from September and team kit can be used for more than one school year. There will be a junior team kit and a senior team kit. The tracksuit bottoms will not be sports specific and can therefore be used all year.

All information with regard to sports clubs will be on the school website with links to each specific sport.

2. All rugby players please note that information about pre-season rugby training is on Facebook. If you cannot access this for any reason, e-mail presnella@cranbrook.kent.sch.uk and details will be sent by return.
3. The new leisure and fitness equipment will be in use from September and all students will be entitled to join the Cranbrook school fitness club. There will be an induction programme and a membership system for all use outside of curriculum time. The facilities include weights machines and free weights for those trying to bulk up and aerobic machines for those who want to tone up and get fit.

Specifically we have: cross trainers, ergo rowers, cycles and treadmills, mats, lights weights, bench press, leg press and cross over pull down machines as well as free weights. Inductions will cost £10 and a membership fee of £10 a term will be charged to club members. We hope to roll out this facility to parents and former pupils by Christmas. Once again, all information will be on the website.
