Please note that Further Maths may not be offered to students this year. Parents should liaise with the Maths Department regarding these exams.

Religious Studies module 8062/1 consists of 2 exam papers - 8062/1/13 Christianity and 8062/1/15 Islam. Both papers must be completed within the 1 hr 45 mins time limit. Students are required to decide for themselves when they move from one paper to the other.

French/Spanish - due to restrictions on space, some of the students will be required to sit the Listening paper followed by the Reading paper. Others will do it in reverse. Students will be notified as to which group they are in. The timings shown are for Foundation/Higher, i.e. 35 MINS (Foundation)/45 MINS (Higher).

Wednesday 26/06/19 is set aside by the exam boards as National Exam Contingency Day. Should there be a national event which means that exams cannot be conducted on the specified date then these exams may be moved to the contingency day. Students should keep this date free. This is NOT a date that students can use as a 'catch-up' if they miss an exam. It is only available to the exam boards in case of a national emergency.
