Notices:

- **Reminder to parents about car noise:** If you need to drive on to the site during the school day to pick up your child for an appointment, please can you remember to turn off your car engine whilst waiting outside the school buildings (particularly at the front of the main school). Please also be aware that car radios and hands-free phones are distracting to staff and students if the volume is turned up and/or car windows are open. This also applies if you are arriving to collect children towards the end of the school day. We have again experienced some problems with this recently, and thank you for your support going forward.
