ONLINE CAREERS MAGAZINE

For All Year Groups – and Parents!

The latest issue of Careermag for student and parents is available for you to browse together. Sponsored by Pearson, it contains lots of advice on the qualifications, options and career routes available for school leavers including UCAS information, degree and higher apprenticeships and top tips for parents. Take a look: https://careermag.co.uk/careermag-parents/?utm_source=Schoolsubs&utm_medium=email&utm_campaign=CareermagforParents2

A CAREER IN AVIATION

For Year 11 Upwards

Pilot Careers Live takes place on Friday 1st and Saturday 2nd November from 10am to 4pm at the Sofitel Hotel, Terminal 5, Heathrow Airport. This event would be of interest to anyone who is considering a career in aviation including professional pilot and air traffic control as well as those interested in aerospace degree courses. More details and bookings at <https://www.pilotcareernews.com/live/london/>

CAREERS EXHIBITION

For Year 11 Upwards

What Career Live? and What University Live? takes place at Olympia, in London on 11th and 12th October. The exhibition offers you the opportunity to meet with 100+ exhibitors from leading universities and top companies looking to recruit school leavers, listen to 60+ seminars and experience special features such as a mock assessment centre, specialist Oxbridge application advice, CV writing clinic, STEM and cyber security challenges and much more. For more info see: www.whatcareerlive.co.uk

HOSPITAL WORK EXPERIENCE

For Sixth Form

Medical Projects have spaces on their UK October hospital work experience scheme offering one or two week opportunities with accommodation, 3 days in an NHS hospital, teaching sessions and mock interviews. More details can be found at the link below but please be aware these courses run by Education Projects are very expensive. The website also gives details of one day courses which may be more financially accessible. https://educationprojects.co.uk/medical-projects/courses/london/?utm_campaign=Generic%20Teacher%20Emails%20-%202019%2F20&utm_source=hs_email&utm_medium=email&utm_content=76933838&hsenc=p2ANqtz--UUoShx5TF4wpdVLSWRcO1DneXRa73AnmiTDMJKuxQ0INY5ju1We9LoFBjJmOxRpOB1r-qg_BorNT15_lx2D1ULFb8Y9SsA4AIQPeXY22ZF8Z0_Qo&hsmi=76933838

SOFTWARE ENGINEER APPRENTICESHIPS

For Sixth Form

MI5 are offering degree apprenticeships in software engineering - helping to protect the UK from terrorism and espionage. More details from https://www.mi5.gov.uk/careers/opportunities/school-leavers?adhoc_referrer=011920192001
