# AUTUMN SPORTS CLUBS 2019

We encourage regular attendance at after school clubs to ensure progress is made and to allow teams to work together.

Year 7/8 will mostly have fixtures on Fridays during their games sessions and these may run until 5pm if away. There are the occasional ones on Saturdays.

Year 9 have fixtures on Saturdays as well as some mid-week.

Full commitment to teams is expected. If you don't attend your after-school practice without a very good reason you will not be selected to play.

Details of fixtures can all be found on the school website under SPORTS FIXTURES. Screen Shots for guidance available.

Password to see the team list is **Cranbrooksport**

Any parents willing to get involved with coaching, officiating or coach transfers should contact Mrs Coleman.

The CSPA also support our Saturday fixtures by running match teas. Please contact Alison Ward (Rugby) or George Roberts (Hockey) to volunteer your services.
