## **DISCOUNT ON PROGRAMMES**

### **For All Year Groups**

Cranbrook School has become a Partner School with InvestIN Education entitling students to 10% discount on the price of education programmes with the company which include career areas such as medicine, law, investment banking, engineering, computer science, journalism and architecture. For more information and to access the discount code needed for bookings please go to <https://docsend.com/view/9uxje7n>

## **A YEAR IN INDUSTRY**

### **For Year 13**

Registration is now open for EDT's Year in Industry (YINI) scheme for 2020/21 placements that will start next September. YINI is a not-for-profit organisation offering school leavers a free resource when searching for a year out paid placement after A levels. This is usually a paid 10-12 month job offering the opportunity to test-drive a potential career, add relevant skills and work experience to your CV and build links with employers. It is open to any Year 13 student who might be considering an apprenticeship, wanting a paid gap year option before studying at university or who might be undecided as to whether to continue into higher education or go straight into employment. Placements are offered in the following subject areas: Science (particularly physics), Engineering (all areas), Technology/Electronics, Maths, Business, Finance, IT, HR or Marketing. Interested students can register at <https://www.etrust.org.uk/yini-register>

## **AUTUMN PROGRAMME AT UCL**

### **For Year 8 Upwards**
