- **Sixth Form Information for Year 11 Parents:** Parents of Year 11 students may be interested to view again the information which was shown at the Sixth Form Open Evening last week: [please click here](#).
- **Year 11 Post 16 Options:** Year 11 students have been given login details for post 16 options. This login information allows students to search and apply for institutions in Kent beyond Cranbrook School. Information on the process can be found at <https://www.kentprospectus.co.uk/> **Note: Students who are solely applying for Cranbrook's Sixth Form do not need to apply in this format.** Information on Cranbrook Sixth Form's application process will be distributed after the mocks, week beginning 25th November. Last week's Year 11 Information Evening detailed the process. You are reminded that slides from the evening can be found online: [please click here](#).
- **DanSing 2019:** DanSing is a whole-school showcase of the best musical and dance talent Cranbrook School has to offer. 2019 has once again set a gold standard for the production; everything from heavy metal to barbershop and everything in-between as all ages from Year 7 to Year 13 strutted their stuff like a turbocharged Eurovision! It was a spectacle to watch and huge congratulations to everyone who took part. Thank you to the staff: Mrs Deeble, Mr Hulland-Rumley and Mrs Hastings for all their hard work; to Ali Kittermaster of Blush Photography for the wonderful photos (available online) and to Lily McCaffrey, Aaron Roberts and Damien Thorne in Year 13 for their help. - **Feedback from Christine Newman regarding the Careers Fair:** Many, many thanks to all those parents/ex-students and the wider Cranbrook community who helped with the Cranbrook School careers fair which took place on Saturday 9th November. It was a huge success with many students benefitting from expert advice and guidance. Your help and support is much appreciated. The number of students that registered with us at the event was 145 from across a wide section of year groups.
- **Neuro Ninja Hero wellbeing course for students and parents at Cranbrook School:** The CSPA invites you to attend the first seminar in this series, entitled 'Wellbeing is a Skill'. It will be held on Tuesday 10th December from 7:00pm - 8:00pm in the Queen's Hall Theatre. Further information is [available online](#).
- **Rugby in games sessions (day students, all year groups):** Owing to the condition of the rugby pitches and the Ball Field, from now on all students must use the path running behind the ball park and Big Side to access Big Side for games, practices and matches. They need to stay in school uniform and take their kit bags to the Pavilion straight after lunch, where they will change. At the end of the session they will change back into school uniform and return to school to catch buses. We suggest that they have a boot bag and a plastic bag in which to put their muddy kit.
- **Lost property:** There is a huge amount of kit being left in the Pavilion after rugby and around other sports areas. Please can you ensure your son's/daughters kit is named and also ask them to look after their possessions as carefully as possible. After games, they need to check the surrounding areas for their bags and other possessions before they leave. Please note that all sport lost property is being collected and will be placed under the stairs in the Sports Hall. Items will then be removed at the end of each half term, and named kit will go to lost property but anything unnamed at the end of term will be disposed of as we don't have the storage facilities available.
- **An invitation to all Allan parents:** Please come and enjoy an Allan get together at The Hive in Stone Street, Cranbrook, on Thursday 21st November from 8:00pm for drinks and meze. Many Thanks From your Parent Reps: Georgina Roberts, Nicola Timlin, Melanie Shenton and Lara Williamson. We look forward to seeing you there.
