## [November/December Lunchtime Menu / Week A](#)

### Notices:

- **Year 11 Information Evening:** Please look out for a ParentMail which has been sent to all Year 11 parents today, with details of this event (7:00pm on Tuesday 5th November in the Queen's Hall Theatre). We look forward to seeing you there.
- **JustGiving for Freddie McLennan:** In June this year, two former Cranbrook School students tragically lost their lives while on their gap year in Bolivia. Freddie and Joe were compassionate, kind and positive students, and their deaths were a real shock to the Cranbrook School community. Recently, Freddie's cousin Robert created an online recipe book for students with the proceeds going to *Football Without Borders* in Freddie's memory. Freddie was a huge football fan, and a charity that brings children together through football is a fitting and poignant gesture. You can donate and download the e-book through the JustGiving website using the following link: [www.justgiving.com/leanstudentchef](http://www.justgiving.com/leanstudentchef)
- **Careers Fair:** On Saturday 9th November, there will be a Careers Fair taking place at the Sixth Form Centre from 10:00am to 12:00pm. All year groups are welcome to drop in at any time to find out more information on the following professional fields: medicine and dentistry; broadcasting and journalism; law; accountancy; financial product marketing; banking and finance; midwifery; marketing and advertising; public relations; gaming; forensics; TV production; civil service; human resources; surveying; apprenticeships; engineering; business development; social enterprise and technology; and veterinary.  
In addition, there will be CXK independent careers advice with Chris Targett from CXK, The University of Bristol, and advice on courses, taster days and gap years. Mini lectures include 'Going to University' at 10:30am and 'Apprenticeships' at 11:30am in the Lecture Theatre. We hope lots of students can join us. For more information or any questions, please contact Christine Newman: [NewmanC@cranbrook.kent.sch.uk](mailto:NewmanC@cranbrook.kent.sch.uk)
- **Second Hand Uniform Shop:** The Second Hand Uniform Shop will not be opening as usual this Saturday in the morning due to the rugby fixtures, but will be opening from 12:00pm-1:00pm instead. The shop should also be open next Tuesday as usual from 10:30am to 11:30am.
- **Head of Horsley Boys:** It is with regret that we announce that, as of the start of this half term, Mrs Coleman has decided to step down as Head of Horsley House so that she can continue to focus on her role as Head of Sport at Cranbrook School. I would like to thank Mrs Coleman for her many years of commitment and dedication to the students in Horsley who have benefitted from her care, encouragement and enthusiasm.  
We are very pleased to welcome Mrs Homewood as the new Head of Horsley House who starts in the new role today. We are delighted that Mrs Coleman will be remaining in Horsley House as a Year 10 tutor and will be able to ensure a smooth transition and handover to Mrs Homewood. I would like to take this opportunity to thank Mrs Deeble publicly for her hard work as acting Head of Horsley House in Mrs Coleman's absence at the end of the last half term.
- **The Library:** Unfortunately part of the Library ceiling collapsed just before half term and is now under repair for a considerable period of time, meaning that it is out of bounds for the foreseeable future.  
We have a contingency plan in place. From parent's point of view, the key points to note are that we have good provision of alternative rooming for some Library activities in rooms along the "English" corridor; these will also be used for pre-school (from 8:00am) for those students who are dropped off early and post-school (up to 4:30pm) for those who are picked up late. We will be using one of our IT rooms as additional space for lunchtime and post-school homework and revision spaces. Sixth Formers on supervised study will be accommodated in variety of other rooms around the school.
