INTERESTED IN BECOMING A DOCTOR/WORKING IN HEALTHCARE?

For Year 9 upwards

Inspiring Minds: Medicine is a programme run by Canterbury Christ Church University for students in Year 9 to Year 13. It is designed to help increase awareness of what it takes to apply to and study medicine and other healthcare subjects. As an Inspiring Minds: Medicine scholar you will take part in regular Saturday (10.00am to 2.00pm) sessions that include knowledge sessions, activity days, lectures and seminars and events in the school holidays. It is free to attend with the only cost involved being travel to Canterbury. Years 9 and 10 will attend five days per year, and Year 11 and 12 four days per day. Year 13 will receive informal support and drop-ins for application and interview advice. Any students completing the programme successfully from Year 9 to 13 and who meets the minimum entry requirements will get a guaranteed interview to study at the Kent and Medway Medical School (KMMS). More details from

<https://www.canterbury.ac.uk/outreach/forms/inspiring-minds-medicine-expression-of-interest.aspx>

STUDY IN THE US

For 6th Form

The Sutton Trust US Programme supports students from state schools across the UK to explore US study and access US leading universities. It includes two residentials in the UK before students spend a week in the US staying on campus at a leading US university. The programme is free for students. All costs are covered by the programme – including travel, food, accommodation, admissions test preparation and more. To be eligible to apply, students must be in Year 12, have always attended a state-funded school, be from a low or middle income family and be interested in US culture and higher education. Applications close on 19th January but can be complicated so, if you are interested find out more now from <https://us.suttontrust.com/>

SPORTS SCHOLARSHIPS

For year 10 upwards

Mayfield School in Sussex is hosting an event with Rob Thomas, Director of Sporting Elite USA, on Tuesday 26th November at 8.30pm. Rob will be talking about sports scholarship programmes at US universities and the admission process. Students, who are keen sports people, and their parents, are invited to attend this event. Please contact Mrs A Glubb if you would like to attend
