CREATIVE HORIZONS

For Year 11 upwards

Barclays LifeSkills Creative Horizons is open for applications. This is an opportunity for 16 - 18 year olds to get involved in an interactive career workshop working with professionals in areas such as design, music, creative agency and photography. The interactive two-day workshop runs on Monday 6th and Tuesday 7th April 2020 in London. For more details and to apply go to https://events.barclays.com/ehome/index.php?eventid=401854&om_u=AAQa2u&om_i=Bd6RRsB90bUNUx&WT.mc_id=EMAILevents&campaign=EMAILevents

FLYING START

For Sixth Form

If you're considering university but also keen to begin your career, PwC's Flying Start degree programmes could be of interest to you. Their four-year Flying Start programme can be studied at Newcastle University Business School, Henley Business School at the University of Reading, Nottingham University Business School and with Alliance Manchester Business School at the University of Manchester. The course offers the opportunity of becoming an Institute of Chartered Accountants in England and Wales (ICAEW) Chartered Accountant. Find out more on their website <https://www.pwc.co.uk/careers/school-jobs/jobs/flying-start-degrees/accounting.html>

NEW ENGINEERING COURSES

For Year 10 Upwards

Following the recent launch of Momentum courses for Years 10 – 12, The Smallpeice Trust is pleased to announce additional Momentum courses now available: Make Engineering Happen, 21st Century Materials, Structural Engineering and Humanitarian Engineering. For more details of these and all Smallpeice Trust courses, take a look at their timetable.

WORK EXPERIENCE

For Year 12

PwC are recruiting for their two summer Insight Weeks (paid work experience programmes) for Year 12 students. In summer 2020 they will be offering over 400 places nationwide. This would be a good general introduction to career pathways in business and an opportunity to learn about cutting edge technology. To find out more see: www.pwc.co.uk/careers/school-jobs/jobs/work-experience.html

NESTLE ACADEMY

For Sixth Form

The Nestle Academy offers a full range of opportunities for young people including all levels of apprenticeships and graduate schemes, internships and placements. Take a look at what they are offering on their current apprenticeship schemes: <https://www.nestleacademy.co.uk/apprentices/>
