## UNIVERSITY OPEN DAYS

### For Sixth Form

Given the current circumstances, university open days have now all been cancelled. However many universities do have virtual tours of campus and many other resources on their websites so you can find out more about the university and what it is like to study there. UCAS have compiled a useful list: [www.ucas.com/undergraduate/what-and-where-study/open-days-and-events/virtual-tours](http://www.ucas.com/undergraduate/what-and-where-study/open-days-and-events/virtual-tours)

## CAREERS EXPLORATION

### For All Year Groups

Success at school (<https://successatschool.org>) have created a careers action plan template to use during the coronavirus "lockdown" to help plan and do some careers exploration over the next few weeks. Take a look and start exploring! It can be downloaded here: ([https://mcusercontent.com/2c038531b25876a2c7c9cf8b1/files/883c6e24-754c-4155-8b47-02a2cb0629ee/Careers action plan for students.pdf](https://mcusercontent.com/2c038531b25876a2c7c9cf8b1/files/883c6e24-754c-4155-8b47-02a2cb0629ee/Careers_action_plan_for_students.pdf))

## LANGUAGE CHALLENGE

### For All Year Groups

Want to take on a new challenge? Learn a new language for free! Duolingo is a site that has courses to learn many different languages, including High Valyrian (from Game of Thrones, apparently)! It does also have courses for French, Spanish, etc. See: <https://www.duolingo.com>

## CREATIVE CAREERS

### For All Year Groups

Creative Choices (<https://ccskills.org.uk/careers>) is part of the Creative and Cultural Skills Hub and is a resource for anyone that wants to work in a creative career. They have information about jobs, advice articles and blogs from practitioners in the creative sector.

## CAREERS GUIDANCE

### For Year 10 Upwards

We are still maintaining our links with Chris Targett and CXK during this period of closure and we are experimenting with careers advice meetings via phone or email with Chris. Please email Mrs Newman, [newmanc@cranbrook.kent.sch.uk](mailto:newmanc@cranbrook.kent.sch.uk) if you would be interested in this.
