Cranbrook
School

Cranbrook School is a mixed state grammar school with 866 pupils aged 11-18 years, including 236 boarders. For its first 400 years the school was known as Queen Elizabeth's Grammar School with strong roots in the small town of Cranbrook. Day pupils come from within 10 kilometres (6.2 miles) of the school, following a test to judge their suitability for an academic education. Boy and girl boarders are admitted from a wide area, having sat the same test. Although it is a selective school, Cranbrook admits a wider ability range than many other grammar schools. It provides a challenging curriculum for the academic high flyers whilst at the same time catering to the requirements of those of more relatively modest abilities. The value added scores that are achieved each year bear testimony to the success of the provision.

Pupils join at the age of 11 or 13, and in Year 10 they start their two-year GCSE courses in nine or ten subjects. Most students then qualify for the Sixth Form, this being supplemented by a healthy intake into Year 12 from other schools. All Sixth Formers follow a two-year GCE course, leading to A2 exams in Year 13. This summer the GCSE pass rate was 97%, with 53% at Levels 7-9 pass. At A Level the pass rate was 99%, with 32% at A*/A.

For a state school the facilities are very impressive. Within the seventy acres of school grounds are found the six boarding houses, the Queen's Hall Theatre (used for assemblies, school productions, visiting theatre companies and concerts), a well-stocked library and lecture theatre. Sports facilities include a large sports hall, dance studio, gymnasium, weights room, heated outdoor swimming pool, squash courts and extensive playing fields and facilities for the boys' and girls' games - hockey, rugby, cricket, netball, tennis and athletics – as well as an astro-turf pitch. The school also possesses a purpose-built Performing Arts Centre which houses a drama studio and music practice rooms, and a Sixth Form Centre which was recently refurbished to very high standards and features a large and sound-proofed study area as well as informal seating and kitchen facilities. The school boasts an Observatory and Science Centre named after Dr Piers Sellers OBE, a former student and NASA astronaut.

As a school, Cranbrook is very keen to educate the whole person and to this end it runs a wide programme of extra-curricular activities, including the voluntary CCF (combined cadet force) and Duke of Edinburgh Award Scheme, as well as a broad range of sports, music and drama, both during the week and at the weekend. We have a long tradition of overseas trips and in recent years groups have travelled to South America, Portugal, Nepal, Southern India and The Battlefields of Flanders. These visits have been for sports tours, cultural exchanges, adventurous activities and to work on projects.

Cranbrook is an active school which will appeal to those prepared to give generously of their time and to take academic work very seriously. The school seeks to appoint staff who will involve themselves fully in the life of the school and applicants are invited to indicate areas where they would be able to make a contribution.

Cranbrook School welcome's NQTs and has a number of experienced mentors on our staff, all NQTs and their mentors are offered additional training through Kent Teach to help ensure a positive experience during their NQT year.

An interesting blend of the maintained and independent traditions, Cranbrook is a place with deep roots in the past but with its eyes clearly focused on the future. Our School Self Evaluation process includes a focus on ways to improve staff and student performance. A series of groups, led by different members of staff, investigate and report back on specific areas of interest. Our most recent Ofsted inspection (2015) and Ofsted boarding provision inspection (2018) both rated us as 'Outstanding'.

Much of Cranbrook's success results from the involvement of its committed Governing Body. The Governors take a genuine interest in the School, attend many of its functions, are involved in the regular reviews of departments and houses and work closely with the Leadership Group on new initiatives.

Cranbrook is very proud of its outstanding boarding status underpinned by its vibrant boarding community fully involved in the co-curricular activities within the school. This includes a programme of activities for the boarders remaining on site at weekends. Cranbrook has 236 boarders shared across six houses each with its own ethos and identity and a marked sense of house pride. The facilities for our boarders are excellent, with the in house catering often highlighted for particular praise. As a school we have a long tradition of providing a full fixture programme on weekends and a variety of trips and activities on Sundays for which a number of staff give up their time. The boarding life of the School offers both staff and students many new and enriching experiences and makes this a most interesting and congenial place to work.

The town lies in the Weald of Kent, about fifteen miles from Maidstone, Ashford, Hastings and Tunbridge Wells, and London is just an hour away by train from nearby Staplehurst. General information about the school can also be found on its website at www.cranbrookschool.co.uk.
