FOR YEAR 11 GIRLS

The Smallpeice Trust is offering a one-day course on 30th October called 'Girls into Physics'. This will be delivered by Royal Holloway, University of London via Google Meet and runs from 9.30 to 4.30. It costs £50 to take part and more details are available from:

<https://www.smallpeicetrust.org.uk/course-page/a47759e3-baf1-ea11-a815-000d3a86ad25>

FOR YEAR 9

For Year 9 students the Smallpeice Trust is running a RAF supported Humanitarian Engineering online course which is free of charge. The course is based on true to life humanitarian type missions undertaken by RAF personnel with a series of humanitarian engineering challenges on an online learning platform. RAF personnel will also be on-hand to offer support and guidance.

Course timings: 26 – 29 October, day one 9.30 am - 1.00 pm, remaining days 10am – 1.00pm.

FOR SIXTH FORM

The Fulbright Commission is holding their USA College Information Day virtually this year. This event will take place on Saturday 26th September from between 1pm and 7pm. It is a free event but you must register your attendance in advance. If you are considering studying in the US this event will give you information about options, funding and how to apply. More details from

<http://www.fulbright.org.uk/events/usa-college-day-2020>

FOR YEAR 13

Registration is now open for 'Meet the Russell Group', a virtual event in association with UK University Search. This takes place on Wednesday 7th October and students and parents will be able to explore all 24 Russell Group universities including Oxford and Cambridge. Students will need to register themselves for the event beforehand. More details from

FOR YEAR 10 UPWARDS

Gresham College have been running free public lectures since 1957 and these are now taking place on-line. These are perfect for students looking to make decisions about sixth form study, those taking part in the EPQ programme or those just wanting to enhance their knowledge in subject areas such as astronomy, business and economics, classics, English, geography, history, law, politics, medicine and maths. The lectures are delivered by world-class experts in their fields and are available to you this year at a touch of a button! They run from September through to next year. Details from <https://www.gresham.ac.uk/attend/>
