

# Cranbrook School Sixth Form Dress Code 2021

All Sixth Form students are to follow this code during the school day every day of the week unless it is a clearly advertised dress-down day. Cranbrook School is proud to offer its Sixth Form the privilege of expressing their individuality through their choice of professional clothing. Sixth Form students are inevitably role models for younger students so have a responsibility to set an excellent example to younger students. Cranbrook School expects high standards from all its students in both their conduct and their dress and as such students who let themselves down with regards to their attire will be sanctioned accordingly.

As a baseline test, always ask yourself if you would wear your outfit to a job interview.

At school events such as Prizegiving students are expected to wear their smartest clothing.

Students' dress will be monitored by tutors, the Head of House as well as all staff around the school campus.
