

CRANBROOK SCHOOL NEWS AND NOTICES

Will Chuter – Head

Dear Parents,

The bulk of the public exams have now finished, and it is wonderful to see a full series of them complete without any of the complications of the previous years. Thank you for your feedback so far on our proposals to shorten one school day by 45 minutes for teacher development next year. If you haven't yet given your views, I'd be grateful of them on [this form](#) before Monday 3rd July.

The term continues to be busy: Year 10 drama practicals have been exciting this week; it looks to be a glorious weekend for CCF camp at Crowborough; next week sees the Year 11 Sixth Form transition week; and I'm excited by Lord of the Flies, our junior play, on Wednesday. I'm also very much looking forward to joining many of you at the CSPA Ball tonight – the Committee have put in a huge amount of work to make it a great event. The School is very grateful!

Have a lovely weekend,

Will

Chyna Hulland-Rumley—Assistant Head, Sixth Form

FAO Year 12 Parents: Students' grades will be available next Friday (1st July) via the Parent Gateway. For students with concerns over exam grades, I will be in touch to organise an intervention meeting and to create a support plan.

FAO Year 11 Parents: Today, students will be emailed with transition work, final room timetable, groupings and a map. They should check their emails and Teams for this information.

FAO Sixth Form Parents: A last reminder that [The Big Step Out](#) is next Wednesday afternoon (29th June). We have had a few of our students sign up, but the charity would really love any Year 13s who are free after their exams, to come along and support this excellent cause. Year 12 students can have permission to attend by getting an exeat form to miss Games. It promises to be a wonderful event and a great opportunity.

Keeping in Touch: Please can any Year 13 students who have not yet completed the [keeping in touch form](#) for the Development Office do so as soon as possible. Thank you.

Reminder re: Vaccinations by [Kent & Medway School Immunisation Service](#): Parents of students in Years 9 and 10 were sent a ParentMail in May about Meningococcal ACWY (MenACWY) & Tetanus, Diphtheria & Polio vaccinations in School. These are catch-up vaccinations for Year 10 students who may have missed them, and the first round for Year 9 students. If you haven't already done so, don't forget to consent or decline using [the online consent form](#) by **Tuesday 28th June**. You can also phone the team on 0300 123 5205, text 07401320923 or use their [web chat](#) if you have any questions about your child's immunisations.

We are very excited to be celebrating Cranbrook Pride next week. During the week, students will be learning about LGBTQ+ rights, the discrimination the community faces, and the importance of acceptance and being an ally. We look forward to updating you next week with photos from the rainbow dress down day next Friday, as well as the badge and doughnut sales. All money raised will be going to the Be You Project, a Kent-based charity that supports young LGBTQ+ people by offering a safe, welcoming and supportive space for them to socialise and access support. Parents who would like to find out more about how to support young LGBTQ+ people can find useful information [here](#).

Reconnect Free Bus Pass Offer: Further to last week's Bulletin, we have been advised that the physical passes have not yet been delivered to Student Services. Therefore, if students prefer, they can download the digital pass to their smartphone [here](#).
